Where business is built

Design and Build

We would be pleased to discuss your building requirements to enable us to construct a tailor made facility to fit your precise business needs. Business units are available from 250 ft² to 10,000 ft².

Customer Statements

“Ashlea Components have been based at Shrivensham Hundred Business Park for over 20 years and in that time I have always found Chris and Graham to be accommodating and willing to go the extra mile to ensure that our needs are fulfilled.

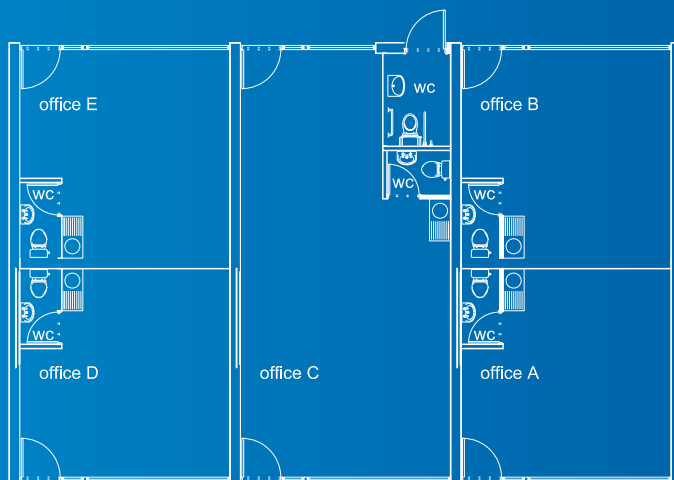

We have recently moved to our new purpose built office and warehouse premises and from beginning to end the process has been flawless.

Having been here so long, we have witnessed the transformation of the business park from it's humble beginnings to becoming the premier business park in the Swindon area. There is no doubt that in large part, this success has been driven by Chris and Graham's flexible approach to business.”

Steven Higgs, MD, Ashlea Components Limited
September 2012

“After 30 years at our previous location Shawcity Ltd started looking for new premises which would reflect the markets perspective of our business. When we first visited Shrivensham Hundred Business Park, Chris & Graham listened to our requirements and then gave us the opportunity to view some of the properties on the site to help us understand what they could offer. We put together a plan of what we required our new building to look like and once the plans were agreed we set a very tight timeline to ensure minimal disruption to our business. I can say with complete confidence that working with the entire team at Shrivensham Hundred was simple but very professional. They allowed me to focus on my business and they took away all the stress of a new build and delivered our new building on time and on budget. After 6 months of being on the site we are delighted with our new premises and enjoying being part of a fantastic Business Park.”

Neil O'Regan, MD, Shawcity Limited

Shrivenham Hundred

Shrivenham Hundred Business Park is an exceptional out-of-town business park set in extensive and mature landscaping carefully managed and maintained by the parks freehold owners.

The Park is home to a wide variety of businesses, from small manufacturers to high technology companies and those within the service sector. All the buildings have dedicated car parking.

See our other Brochures to find out...

Where business begins – Enterprise Centre

Where business meets – Conference Suite

Where business grows – For Sale or To Let

Location

Shrivenham Hundred Business Park is located on the A420 Swindon to Oxford road east of Swindon. The A420 gives direct access to the A419 dual carriageway leading South to Junction 15 of the M4 approximately 4 miles and North to Cirencester and the M5 beyond. A420 East takes you towards Oxford and the M40.

There are good rail links from Swindon station with London approximately one hour away and fast access to Heathrow and Birmingham.

The postcode for sat nav is SN6 8TZ.
