Business

Tasty Mac Pac Limited is a processor of fish based baits for sea angling. The company sources all of its stock via local fishermen and includes mackerel, herring, sand eels and sprats. During the fish's freshness is maintained by being individually blast frozen. The company supplies the products in the customer's branding.

Tasty Mac Pac Ltd has a UK wide customer base in Dublin, Exeter, Hayle and Grimsby. The company diversifies its service in order to retain business throughout the year. During the summer Tasty Mac Pac supplies bait wholesalers with frozen fish, while in the winter supplies fish to customers in the zoo and aquarium sectors. A full inventory will be provided on after discussions with the owner .

Tasty Mac Pac Ltd presents a potential purchaser with excellent scope to develop the business by expanding the company's service to include the supply of fish for both the retail and catering sectors. This option could be implemented owing to the high standards already in place and expand its service to include a wider range of fish products.

Staff

The company currently employs 4 full-time workers and an additional 2 part-time workers during peak periods.

Turnover

In year ending 31 March 2018 the turnover was £355,971. Turnover for 2019 estimated to be £389,000. Full three years accounts available only by e-mail after meeting with business owner.

VAT

Under the Finances Acts 1989 and 1997, VAT may be levied on the price. We recommend that the prospective purchasers establish the VAT implications before entering into any agreement.
