Office and Co-Working space in Shoreditch - All Inclusive Rent

A 150 sq ft creative studio/office to let, seating up to 4 people. A unique floor flooded with natural light and exposed brickwork. available to let for the first time in 8 years.

The Shoreditch Arch is a community for like-minded people with a variety of people from PR, social enterprise, Literary Agents, Film, TV and App development.

Unlike a lot of the other 'co-working' spaces out there today, our ethos is focused on start-ups and small businesses, and we charge affordable rates to cover stuff that you need (like superfast internet) and don't make you pay for stuff you don't (like 20 alternative types of tea, and jugs of fruit water). We figure if you have managed to start your own company, you are probably capable of buying your own tea bags and getting yourself a glass of water. Our prices are all-inclusive – what you see is what you pay. All our spaces have flexible terms and keep your costs as low as possible. Office spaces are available on a month-to-month basis, allowing you to avoid being tied into expensive long-term contracts. No set-up required: all units are furnished, with superfast 152mb fibre-optic broadband, so simply plug and play.
