UNITS 19 & 20 EXECUTIVE SUMMARY

Access 18 provides flexible opportunities to the occupier market within the industrial and logistics sectors.

St. Modwen has selected Access 18 Avonmouth as a prime development site, where over 750,000 sq ft of new accommodation has already been delivered. This latest speculative phase provides 58,000 sq ft of high quality production and distribution space with individual units ranging from 5,924 sq ft to 10,260 sq ft.

St. Modwen will lease units to occupiers for a term of years to be agreed. The leases will be drafted in a standard form on a full repairing and insuring basis.

This proposal document is designed to present a summary of the buildings and specification and the holistic opportunity available to an occupier. St. Modwen hopes this will provide occupiers with an innovative and exciting opportunity that will provide flexibility with which to operate contracts and minimise operational costs.
