

TEESAMP

TEES ADVANCED MANUFACTURING PARK

Make it in Middlesbrough

www.teesamp.co.uk

► **PHASE 2 80,000 – 100,000 SQFT**
Flexible building opportunities.

A dynamic base for innovative businesses

Located in a prime location in the Tees Valley, Teesside Advanced Manufacturing Park – TeesAMP – offers up to 11 hectares of high specification business accommodation, access to a skilled workforce and a place where like-minded businesses can transform technologies and drive innovation.

► **PHASE 1 180,000 SQFT BREEAM VERY GOOD ACCOMMODATION**
10 buildings with units of varying size.

Phase 1 benefits include:

- Spacious yard areas with HGV turning circles
- Floor loadings between 25KN/m² – 50KN/m²
- Eaves heights from 7m – 9m
- Substantial provision of power to site
- High speed fibre broadband
- Electrically operated access doors
- From 5% office content designed to accommodate expansion
- 15% roof lights
- Substantial individually allocated car parking provision
- Communal/visitor car parking provision for whole estate
- Estate monitored by CCTV
- Fully landscaped communal areas

The £55 million development includes funding from Middlesbrough Council, Tees Valley Combined Authority, SSI Taskforce and substantial private investment.

Middlesbrough: A gateway to the world

With five international airports within reach, easy access to the Strategic Road Network and well-established rail and port connections, Middlesbrough's connectivity makes it easy to do business in the UK and beyond.
