LOCATION

The historic market town of Newark is located approximately 16 miles south west of Lincoln, 17 miles north east of Nottingham and 13 miles north west of Grantham. The town is located at the junction of the A1, A46 and A17 and is situated on the East Coast Main Line railway. It is well known for its market, which is surrounded by attractive Georgian buildings. This, coupled with its Castle and strong reputation for antiques and antiquities, ensures it is popular with both residents and visitors.

The subject land is situated on the northern side of Beacon Hill Road at the corner of its junction with Cafferata Way. Newark town centre is located approximately 1 mile to the west and Newark North Gate mainline railway station, offering frequent direct services to London Kings Cross (fastest journey time of 1 hour 13 minutes), approximately a half a mile to the north west. Beacon Hill Road links with the A1 approximately 1 mile to the east.

DESCRIPTION

A clear rectangular shaped site. To the north of the site, open grassy land slopes away towards Beacon Hill Office Park and Brunel Business Park, offering impressive views over Newark. The site is adjacent to Beacon Hill Day Nursery to the east. To the southern boundary of the site, several mature trees aligning Beacon Hill Road, which are to be preserved, provide a natural privacy barrier, whilst still allowing filtered views and sunlight into the site.

SERVICES

We understand that mains water, electricity, gas and drainage are available for connection to the site. Interested parties should make their own enquiries of service providers.
