#### Environmentally Friendly

PV panels are installed at the building, the refurbishment works were carried out using sustainable materials such as carbon neutral flooring and LED lighting, and the building has 100% renewable energy provided to all common areas. There are three electric vehicle charging points in the front car park for use by occupants and visitors. The Parks Trust works to ensure that all materials used for refurbishment at the property are from a sustainable source and have a valid chain of custody. The Trust is working towards carbon neutrality by 2030.

Shenley Pavilions and its offices and surrounding parkland are owned and managed by The Parks Trust, the independent charity that cares for over 6,000 acres of parks and greenspace in Milton Keynes. The Parks Trust head office is located nearby in Campbell Park. By choosing a Parks Trust Property your rent goes directly into caring for the parks and green spaces in Milton Keynes.
